THE STICKER CLUB

Welcome to the sticker club. Please send one pack of stickers to the person listed in the #1 spot. Next, move my name to the #1 spot and put your name in the #2 spot. Then, send the letter to 6 friends. If you cannot do this withing 6 days, please let my parents know, because it won't be fair to all the children who have participated so far. Within 2 weeks, your should have received 36 packs of stickers! It's a LOT of fun, and it's exciting to see where all the sticklets come from. I also love getting mail, don't you? Thank you for participating!

From your friend,

P.S. To the parents

Please take time for this quick project. It means a lit to see the smile on your child's face when they open their mail. To make it easy, we have enclosed a blank copy of the letter. Make a photocopy, or download and print a copy of the letter from this address: **https://archive.org/details/the-sticker-club**

Please make it as easy for the next person as it was for you!
